Art or Craft

Craft as a Gateway
Craft can often become so creative that it eventually becomes art.

Craft can Fortify
Crafts of all times and ages has inspired others with its beauty.

Big or Small
rCraft like art reflects our view in how we perceive ourselves & our history.

2015 Hanceville

Craft As Art?

Craft is the act of creation and interpretation by different people in different times to express themselves; a reflection of their ideals.
